

# Running Your Business from Your Financials

## Running Your Business from Your Financials

Brought to you by Famous University

Does your P & L gross margin match your bidding gross margin?

Does your current Ratio tell you that you can pay your bills and meet payroll on time?

Do you have too much money tied up in inventory? Don't know, learn the **Acid Test** in this class.

Join us and learn these and many more ways that you can run your business by just referring to your financial statements.

**Thursday, June 13, 2019 | 9am – 1pm**
