FAMOUS
SINCE 1933

Experience Our Culture

Gain insight on Famous' history, culture, customer support, and services at **famous-supply.com/careers**

Established in 1933, Famous Supply is a fourth generation family-owned company.

Famous specializes in **HVAC, Plumbing, Industrial, Building Products, and Training**. As a wholesale-only business, Famous Supply treats every Customer with a commitment to quality and personal service. We sell into the residential, commercial and industrial market segments for new construction, replacement, repair, remodel, parts and service. Famous' product offering gives our Customers opportunities to continue to grow.

With a vast inventory of quality products, **27 warehouse locations, 11 Kitchen and Bath Showrooms, 18 Famous University® Classrooms**, Customer Support Centers, a Central Distribution Center, two Regional Distribution Centers, a fleet of over 140 trucks, and two sheet metal manufacturing plants, we are uniquely positioned to meet your expectations.

We are a leading distributor of quality products in the markets we serve. We provide personalized, accurate and timely service to our valued Customers at fair and competitive pricing and we are committed to the continued training and development of our Associates so we may meet challenges and your changing needs.

Famous' greatest asset is our quality Associates dedicated to serving you, our valued Customer!

THREE GENERATIONS OF

THE BLAUSHILD FAMILY

A NOTE FROM MARC

We are very excited about our business and opportunities for continued growth. We understand that in order to be successful and satisfy our Customer's needs, it all starts with our people. We truly value every Associate, the role everyone plays, and their importance to our Team.

We look hard for good people who share our **Five Core Values: Family, Trust, Communication, Teamwork, and Continuous Improvement** and live our **Famous 40 Fundamentals**. We have a unique and special culture. We build long-term relationships with one another, our Customers and suppliers so that we can provide above and beyond service… **The Famous Way**!

Our "Open Door" philosophy means that any Associate, Customer, or Supplier may contact anyone at Famous at any time, for any reason. This open and honest dialogue throughout the Supply Chain provides us all with the opportunity to simplify distribution and make it easier to do business with one another.

Thanks for being part of our Famous Family!

Marc

Famous' knowledgeable and friendly team of Famous Supply and J.F. Good associates specialize in Plumbing, HVAC, Building Products, Engineered Products, and Industrial & Mechanical PVF products.

Our phones are staffed by qualified and experienced sales associates physically located at our Customer Support Center as well as associates located throughout all of Famous' branch locations. Our Customer Support Teams allow your call to be transferred to the first available associate regardless of location.

Our associates ensure that all of our customers receive world class service; processing your orders by telephone or online while offering you technical support and providing pricing, inventory, and delivery information.

Associates stay up-to-date with new industry developments and trends by attending training and seminars offered by manufacturers and service partners.

We are here to provide you with information and real-world solutions so that you may better serve your customers.
